

LEADERSHIP TRAITS

Below is a list of some common traits that are associated with leadership styles. At the top of each column is the leadership theory associated with those traits. Place rate your capabilities with a 1-5 next to each of the traits listed (1-low, 5-high) in the column titled You and do a self-evaluation and compare to the selected traits. Please keep in mind that there is no one leadership style that works in every situation. This self-evaluation is strictly to note your potential for growth in areas you find important.
